Dear,

Visit our stand in Hall 1/ booth F1137. Luzern, September 17-19

**WORLD
MEDTECH
FORUM
LUCERNE**

**World Medtech Forum Lucerne
September 17 to 19 2013**

medtech-forum.ch

MER-Europe will exhibit this year for the first time at the Medtech Luzern Forum. There will be the opportunity to meet and talk with Wendy, Tim and some of our suppliers. We invite you to come over to our booth and discuss your project needs. Or simply to find out more about the products and capabilities.

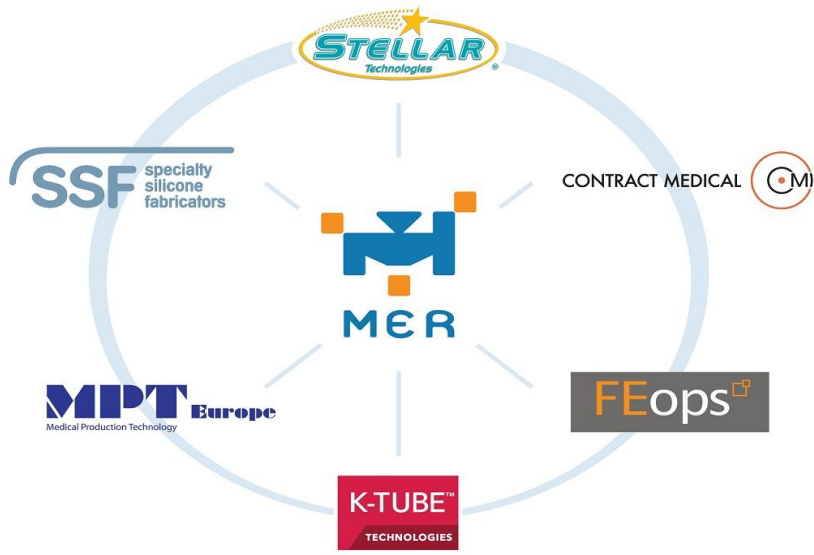

Here the suppliers and capabilities that are part of MER-Europe:

- CMI, contract Manufacturing en catheter designs and developments
- FEops, virtual prototyping, simulations and design optimization
- K-Tube, A single source for Stainless tubing..direct from the Source
- MPT-Europe, Catheter/Balloon/Stent manufacturing equipment
- SSF, silicone extrusion, molding, dipping, sheeting and assembly
- Stellar technologies, precision machining, laser cutting, coils and assemblies

NEWS

1. MER-Europe website also in German www.mer-europe.de
2. Effective August 1st, Advanced Polymers have terminated their partnership with MER-Europe. Since Advanced Polymers is now part of Vention Medical the decision has been made to utilize Vention's direct salesforce. While we regret this decision we look back at a warm and effective working relationship of fourteen years and [read more](#)
