## CONTRACT MANUFACTURING SERVICES

- Electronic, Mechanical & Electro-mechanical Manufacturing
- Class 100,000 (ISO Class 8) Clean Room Assembly
- Product Testing, Calibrating and Programming
- Finished Product Packaging & Labeling
- Gamma, E-Beam and ETO Sterilization through Strategic Partners

## PRODUCTS & SUBSYSTEM ASSEMBLIES

- Electronic, Electro-mechanical, Mechanical Box Build
- Subsystem/Module Assemblies
- Plastic Injection Molded Parts
- Printed Circuit Board Assemblies

## MANUFACTURING CAPABILITIES

- Injection Molding
- Insert Molding
- Compression Molding
- Over-molding
- Ultrasonic & RF Welding
- Heat Stamping
- Pad Printing
- Silk Screening

## MANUFACTURING ENVIRONMENT

- Conveyor Belt Lines for High Volume Assembly
- Cell Manufacturing for Low Quantity Production
- Pilot Lines for Transitional Manufacturing
- Prototyping Shop
- Global Supply Chain for Cost Effective Materials

## VALUE ADDED SERVICES

- Supplier Consolidation within and across commodities
- Kitting offers solutions to reduce the number of inbound SKUs
- Global Logistics Partners allows us to ship anywhere in the world
- Total Cost of Ownership Reduction
- Global Supply Chain to Identify lower cost equivalent or alternate materials
- Design for Manufacturability Capabilities

## QUALITY STANDARDS

- FDA Registered for Medical Device Contract Manufacture
- FDA QSR Quality System Compliant
- UL, CSA, and CE Approved Products
- ISO 13485 Certified
- 5S Workspace Management Program
- Rigorous On-site Audits by Prominent Customers
