# SUPPLIER FINDER

for European medtech manufacturers

## MTME Supplier Finder to premier at MER stand

Great news! Following the success of their online directory (are you listed?) our media partner [MedTechMediaEurope](#) is publishing a new print directory – the MTME

Supplier Finder. For Europe, this is now the **only print guide for the medical device companies to source qualified suppliers.**

We are proud to host the premiering of the [MTME Supplier Finder](#) at our group stand at COMPAMED/ MEDICA 2019, the world's largest medical trade show. **Come and get your copy and meet the MTME team in Hall 8B/ K09!**

[MER-Europe](#): **Manufacturers Representatives | Technical Link | Engineering Solutions & Support**

MER-Europe (Medical Engineering Resources) is a technically focused and service orientated partner to buyers, engineers – anyone in the Medical Device Industry who needs components, assembly services and, or engineering support.

We represent innovative and quality driven [suppliers](#) from both the United States and Europe, always trying to facilitate and work with innovative companies that have the potential to make a difference in the marketplace. We are continuously expanding our product range and adding new capabilities.

Our main focus for over 20 years now, is on products for Neuro, Cardio or Radio Vascular applications. Product types can range from Metal Laser Cut Tubes supporting Steerable Catheters to Multi Lumen Silicone Tubing for CRM applications.
